

## Pet Policy/Waiver Spectacle Lake Lodge

To assist guests who would like to explore the facilities with their dog, we welcome canine friends on the property in designated cabins. Dogs are welcome to a select number of cabins. We are sorry but no dogs are allowed to stay in the lodge rooms, restaurant or terrace.

In order to ensure all guests (dog owners and non-dog owners) have a comfortable visit, we have a few special guidelines:

1. We welcome one well-behaved dog per cabin. Please no "barkers"! Cats are not permitted.
2. Your dog must be comfortable with being confined - either in a cage in your cabin or in your car - while you are in the dining room, terrace or our guest lounge.
3. A credit card must be left on file for any additional cleaning or damage charges after check out.
4. Guests planning to bring a dog must make advance reservations for their dog as well as themselves.
5. There is an extra charge of \$20 a night for your dog to stay in the cabin. This charge is to cover the cost of standard cleaning.

### **Restrictions / Regulations**

All of our "dog welcome" cabins have plenty of waterfront property to ensure many hours of safe, happy play and exercise. Please do not bring your dog to the beach.

We ask dog owners to be as responsible for your pet at the Lodge as you would be at home. You must always pick/scoop up after your dog.

Spectacle Lake Lodge regulations require that dogs must always be on a lead for the safety of all Lodge guests, staff and dogs, and especially wildlife.

Dogs are not allowed on the furniture in the guest cabins. Please bring your dog's bedding and favourite toys. If your dog likes to swim, please bring towels to dry your dog - our bath towels are not appropriate for this purpose.

Guests who bring a dog will be asked to sign this waiver agreeing to these conditions upon check-in.

Spectacle Lake Lodge will not be responsible for any accident, injury or illness that may occur to your dog while you are a guest.

I agree with the regulations listed above
